

# Uplyme Village Hall

## Lone Working Policy

### **1. Purpose**

To ensure the health, safety, and welfare of staff, volunteers, or contractors working alone in the village hall.

### **2. Scope**

Applies to any individual who enters, works, or stays alone in the hall without direct supervision or assistance.

### **3. Definition of Lone Working**

Lone working means working without close or direct supervision or immediate support from colleagues or others.

### **4. Risks Associated**

- Medical emergencies or accidents without immediate help
- Physical security risks (break-ins, intruders)
- Stress or mental health concerns
- Equipment-related injuries (e.g., ladders, electrical tools)

### **5. Responsibilities**

- Committee Responsibility
- Assess and reduce risks of lone working
- Provide training or guidance
- Ensure emergency procedures are in place.

### **6. Lone Workers**

- Follow procedures and safety measures.
- Inform someone of their presence and expected time.
- Keep a mobile phone accessible.
- Avoid hazardous tasks when alone, e.g. working at height.

### **7. Safety Procedures**

- Sign in/out system or check-in by phone/text with a designated person.
- Emergency contact numbers must be posted clearly.
- Fire exits must remain accessible.
- First aid kit available and easily accessible.
- Doors and windows should be secured whilst working
- No lone working at night unless approved

### **8. Emergency Procedures**

- Lone worker should call emergency services in any unsafe situation.
- Emergency contact should be notified if a lone worker doesn't check out as expected.
